Features

Wednesday, May 08, 2019

Absolutely Live

Live case transmission from Milano

Experts comment and convey questions from the audience, merging performance with discussion.

MVSIC's Got Talent

A real competition of interesting heart structural intervention cases

Best shared experiences are worth a MVSIC prize!

Cases by the Maestros

Experts present some of their most challenging cases

Strategies and devices with Maestros at work.

MTV MVSIC Training Village

Parallel sessions in small groups to maximize interaction and learn how to treat difficult cases and manage complications.

Accessorize it!

Good technique also needs good tools

Industry showcases the best devices and presents new features.

AperiTAVI

A smart conversation with friends

about structural heart disease and procedural complications.

CME/ECM accreditation

The program of MVSIC 2019 is being submitted for the Italian Continuing Medical Education (CME/ECM) for **Physicians, Nurses and Technicians**.

For CME accreditation: event satisfaction survey and CME learning test will be only available on-line at the end of the Congress. More information and instructions will be available at Secretariat Desk and in the official MVSIC website www.mvsic.eu

Registration Fees

Physicians

Eur 305,00 VAT incl.

Fellows and Nurses

Eur 122,00 VAT incl.

Fees include: admission to all scientific sessions, coffee and refreshment, entrance to the exhibition area, congress kit, welcome cocktail buffet on May 09

Apply for a grant

As of January 2018, international medical congresses held in Europe must be compliant to MedTech Europe guidelines and regulations as regards sponsorship of registration, travel and accommodation for attendees.

Industries are not allowed to invite delegates and cover for their participation expenses, nevertheless educational and unrestricted grant may be provided in order to support a wide and fair participation in the events.

Grants from the Industry are now available for MVSIC 2019 and can cover your registration fee. Travel and accommodation might also be covered. If you would like to benefit from an educational grant, please apply by filling the form on the official MVSIC website:
